To include a new paragraph in the Village Policy Statement in substantially the following form :

2.9 At an Extraordinary Meeting on 18 June 2025 the Council received the report of GCC Strategic Flood Risk Management , the responsible statutory authority, on mitigation of flood risk to properties in the Olive Hill rainfall catchment area. The Council supported the resulting proposal for the installation by the Highways Authority of twin pipes under the road to provide limited flood risk relief which was reported at the meeting to be "the very best that could be done". Residents are responsible for the remaining risk to their properties and for taking suitable Property Flood Resilience measures. The Council does not countenance further proposals.

To ratify Chairman's continuing authority to deal with residents on Water issues and take measures including litigation with the advice of Cllr.Watson , the Council's legal adviser.

To authorise the Chairman to take such measures including legal action , with the advice of Cllr.Watson, that are necessary to protect the Council and /or Councillors from undue burden and/or harassment
